

# Press Release

world conference on  
**regenerative medicine**

[Germany | Leipzig 2009]

Leipzig,  
29 January 2009

## Submit an Abstract and join the World Conference on Regenerative Medicine in Leipzig

**The World Conference on Regenerative Medicine will be held on October, 29-31, 2009 in Leipzig. The Abstract submission is now possible on [www.wcrm-leipzig.com](http://www.wcrm-leipzig.com).**

Over 1.000 participants from research, clinics and industry are expected to the international conference. The main topics include

- Stem Cells
- Tissue Engineering
- Technology Development
- Immunology and Signaling
- Regulatory Affairs

Until July, 15 you can submit an abstract for an oral presentation or a poster as well as register for participating at the conference to a special early-bird fee.

Don't miss to hear leading researchers from the whole world talking about their latest findings and approaches, for example Giulio Cossu, Stephen Minger, Dietmar W. Hutmacher and Jeff W.M. Bulte.

For further information about the conference please check the website [www.wcrm-leipzig.com](http://www.wcrm-leipzig.com).
